Davide Pedron

Software Engineer | Happy developer

EMPLOYMENT HISTORY

[Pubstack](#) – *Software Engineer* – Full Remote (France)

OCTOBER 2022 – APRIL 2025

Pubstack provides an innovative adtech solution to simplify publishers' ad implementation processes.

Collaborate within a 10-member tech team using the **Shape Up** methodology. Develop and optimize core features using **Rust and TypeScript**, ensuring high performance and scalability (we manage ~4 billion events per day). Lead the **Research and Development (R&D)** efforts by prototyping new features and performance optimizations, working closely with the product team for validation.

Using: Typescript, Rust, Go, AWS, Datadog, Cloudflare, Git, GitHub, MongoDB, Terraform, Prebid, Google Ad Manager, Taskfile, React, Tokio, Axum, Serde

Thread Solutions (now [Afliant](#)) – *Analyst Programmer*
Trento (Italy) / Full Remote (France)

MARCH 2016 – SEPTEMBER 2022

Thread Solutions specializes in digital integration, managing projects across diverse systems.

Began as a **MuleSoft Developer** and transitioned to a **T-shaped** professional role with a specialization in **Java**. Served as **Tech Lead** for a **learning and teaching management software** project over three years, overseeing architecture, development, and team collaboration. Gained experience across multiple teams and methodologies, including **Scrum**, **Kanban**, and **Waterfall**, adapting to diverse project requirements and workflows.

Using: Java, Python, JavaScript, SQL, Atlassian, Git, Bitbucket, MySQL, Oracle, Chef, Jenkins, Angular, Liferay, Spring, MuleSoft, API-Led

Phoenix Informatica Bancaria (now [Allitude](#)) – *IT Support*
Trento (Italy)

SEPTEMBER 2009 – FEBRUARY 2016

Provided **first-level customer support** for the company's internal banking solution. Managed **system administration** tasks, including oversight of **AS400** and **Mainframe** systems. Coordinated **scheduler and workflow management**.

EDUCATION

I.T.I. Marconi — *Electronics and telecommunications technician*
Trento (Italy)

2001 – 2006
